

NEEDS CARBON

Carbon Needed For Gas Respirators. Boys Urged to Save Peach Stones, Etc.

Editor Post-Dispatch:

I think the letter I am sending you will be of general interest. I call upon the boys and girls of Richmond county to respond nobly and render this patriotic service. I know they will need no urging when the opportunity is offered them to make life safer for our boys "over there." I appoint every teacher in the county as a leader in his or her school district to take charge of and push this work. Thank you for your valuable space which I find is always available for purposes of this kind.

L. J. BELL,
County Supt.

Dear Superintendent:

Poison gas was one of the first fruits of Kultur. It stings, blinds, and kills. Charcoal or carbon made from fruit stones and nut shells is used to neutralize it.

The Government needs carbon. It asks the boys and girls of America to save:

Peach stones, apricot stones, plum stones, cherry stones, prune stones, shells of hickory nuts, walnuts and butternuts.

Method:
Select a leader or leaders.
Give publicity to the campaign.
Dry pits thoroughly in the sun.
Bring them to a central collecting station.

Notify Chemical Warfare Service, Washington, D. C.
Bills-of-lading, shipping instructions and bags will be sent.

Two hundred peach stones or seven pounds of nuts produce enough carbon for one gas respirator.
Carbon is made from fruit stones and nut shells.

Yours sincerely,
G. D. STRAYER,
Division of Education.

Leak-Dockery Wedding.

Of interest to a wide circle of friends is the approaching marriage of Mr. T. C. Leak and Mrs. Mary L. Dockery, which will be solemnized at the residence of Mrs. H. S. Ledbetter the evening of October 26th.

Roberdel W. S. S.

Roberdel school is forging forward with War-Savings Stamps. The school has bought stamps to amount of \$141.75 during the past week, and a total of \$274.50 since school opened Sept. 2nd. The grand total for the school (adding the \$558 bought last spring) amounts to \$832.50. Keep an eye on Roberdel, you other schools!

Fire In Wolf Pit.

Fire Saturday night at midnight destroyed two barns belonging to J. H. Deas, four miles south of the city. Mr. and Mrs. Deas were spending the week-end at Monroe. A white man, occupant of the house, was awakened by colored folks, who had been attending an ice cream festival nearby, giving the alarm. The two mules were saved. 300 pounds of fodder, rough feed, 10 bushels oats, some farming tools, wagon, buggy were lost.

Civilian Relief Secretary.

The Civilian Relief Department of the Red Cross has grown into one of the most important and largest of that organization. B. T. Payne is chairman for the Rockingham Chapter, but the work has become so onerous that a whole-time secretary was found to be necessary. The Chapter has secured the services of Mrs. A. L. McDonald in this capacity, and she can be found at the office of the Richmond Realty & Insurance Co. (in Hotel Bldg) from 10 to 12, and from 2 to 5, daily.

Dannie C. Stogner, of Roberdel, left Tuesday for Davidson College; this ensuing year will make his third at that institution. He was 19 last July 8th, and of course was a registrant Sept 12th. Davidson is one of the S. A. T. C. colleges.

RED CROSS DEPARTMENT

Semi-Monthly Report on Canteen Service Rockingham Chapter, Sept. 1st to 16th.

Served 3154 soldiers, 16 sailors, 3 marines, 2076 drafted men; a total of 5249 men.

Ford for Sale.

1917 Ford touring car for sale; in good condition.—W. C. Nance, Ellerbe.

Cole's Hot Blast Heaters make a big reduction in your coal bills; see their advertisement and guarantee.

WHEN EVERY MOVE HURTS

Lame every morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use.

Advt

Mrs. J. R. McQueen, Mill Hill, Rockingham, says: "Two years ago I suffered with kidney trouble. My back ached and I felt all run down. When I tried to pick up anything, a sharp pain would shoot through me and I could hardly straighten. Blinding dizzy spells came over me and specks appeared before my eyes. Mornings I was lame and sore and suffered from nervous headaches. Doan's Kidney Pills strengthened my kidneys and back and removed all the other troubles."

60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Maxwell For Sale.

For sale, Maxwell touring car, 1917 model.—L. J. Bell.

Relief From Big Fuel Bills

SAVE at least 1-3 to 1-2 your coal bill this winter. At the high price of fuel this saving should more than pay for this wonderfully efficient

Cole's Original Hot Blast Heater

For Hard Coal, Soft Coal, Slack, Lignite, Wood and Lighter Fuels

1-3 Fuel Saving Guaranteed

Burns the cheapest grade coal clean and bright. Remember that soft coal is half gas. This valuable half of your fuel money escapes up the chimney and is wasted in other stoves. Cole's Hot Blast Fuel Saving combustion (see open cut) stops this needless waste and saves and utilizes the gas half of the coal wasted by other stoves and turns it into warmth and cheer for your home.
